

Metal Recycling

Whether you're making dinner, cleaning out your office or renovating your house, many of the metals in your home are recyclable.

Curbside Recycling

Recycle these in your curbside recycling:

- Aluminum cans
- Steel or tin cans

Special Recycling

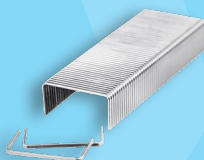

Recycle these other metals by contacting your recycling company about bulk pickup, specialty mail-back programs, or taking them to a scrap yard.

- Metal filing cabinets
- Rings from three-ring binders
- Gates and fences
- Sheet metal
- Copper plumbing and wiring
- Rebar
- Metal clothes hangers
- Bicycles
- Metal appliances
- TVs and computers

Non-Recyclable

Metals you can't recycle include:

- Items smaller than a credit card, like paper clips and staples
