

Lid Closure and Overfilled Carts

It has come to our attention that overloaded trash carts have become a growing problem in the area. In order to guarantee your trash is hauled away as expected, it is important to ensure carts do not become overloaded.

- **Effective April 1, 2024, all trash must be contained inside a Republic Services-supplied cart.**
- **The cart lid must be closed in order for the cart to be serviced.**
- **Additional carts can be ordered for a small monthly fee by calling [208.345.1265](tel:208.345.1265).**

Thank you for your support and cooperation. Together, we can keep our communities and drivers safe. Please call Republic Services at [208.345.1265](tel:208.345.1265) with any questions.
