

Let's Get Rolling

New trash carts
will be arriving in
February of 2024

The City of Arlington is switching from manual bag service to automated trash cart service. Republic Services will deliver a 95-gallon trash cart to each home beginning in February of 2024. **Once the carts are delivered, we will transition to once-a-week recycling, trash, brush and bulk service.**

For more information on this change, visit **ArlingtonTX.gov/trashpickup**.
