The goal of this program is to help customers dispose of items that are not reusable or recyclable. All items collected will be disposed of in the landfill. To prevent waste, refer to resources on the back of this flyer to reuse, repair, and recycle items.

## TWO BULKY ITEMS AND TEN BAGS

### ACCEPTED

- » Up to 10 units (32 gallons per unit) of garbage, each unit no longer than 3 feet on any side and not weighing more than 65 pounds. Extra garbage will be charged \$4.38 per 15 gallons.
- » Plus, two bulky items such as mattresses, sofas or chairs.

### NOT ACCEPTED

- » Appliances (washer, dryer, refrigerator, stove, water heater, etc.)
- » Electronics
- » Recyclables
- » Yard waste
- » Liquid items

- » Construction materials

## THREE STEPS TO CLEAN SWEEP

- 1.** Schedule your Clean Sweep collection by contacting Republic Services 1 to 4 weeks in advance. Provide the list of items to be collected.
- 2.** Place acceptable items at the curb by 7 a.m. on your pre-scheduled collection day. Be sure items do not block truck access to curbside carts.
- 3.** Clearly label the items "CS" for Clean Sweep, to prevent extra garbage charges.
