

Residential Carts

Size and weight restrictions for recycling, trash and yard waste

If you recycle right, the size of the trash cart you will need depends on the size of your household.

R=Recycling; T=Trash; YW=Food/Yard Waste

*Customer-owned cans/carts cannot exceed 60 lbs.

*Extra trash charges may apply to carts with raised lids. Cart lids must close completely.

*Avoid overpacking your cart, as contents may not fully empty when the cart is serviced.

To change your cart size, please contact customer service at **253.872.4632**. Carts are delivered within 7 business days, or customers may pick up carts at our Kent office, located at 22010 76th Avenue South.

Household size is an estimate. Cart photos may be different from actual city carts provided to residents.
