

Recycling

Paper - Keep dry, clean, & empty.

(Flatten. 3ft x 3ft x 3ft or smaller.)

Plastic - Empty, quick-rinse, & replace caps.

Rigid plastics

(Place in or next to recycling container.
Size limit: 2ft x 2ft x 2ft.)

(Lids 3in or larger.)

(Non-prescription.)

Plastic bags cannot be easily sorted at the recycling facility. Instead, take bags back to the grocery store for recycling. Visit www.plasticfilmrecycling.org for more information.

Glass - Empty & rinse; labels ok.

Metal - Empty & quick-rinse.

Lids 3in or larger; Scrap metal
(Place small items 2ft x 2ft x 2ft or smaller and less than 60 lbs in or next to recycling container.)

How to prepare your recyclables:

- No food, liquid, or plastic bags.
- Leave recyclables unbagged.
- Ignore the numbers on plastic. Focus on shape: recycle plastic bottles, jugs, tubs, and cups only.
