*Residential customers are invoiced on a bimonthly basis. The rates above are monthly and based on the size of your black trash cart. The new monthly rate now includes the black trash cart, blue recycling cart, and green organics cart in the same price.

We will no longer be servicing customer-owned carts. Single-family residential customers may request 1 additional green cart included in their monthly rate, at no additional cost, for a total of 2 green organics carts. If you would like to request this service, please call 619.421.9400. Any additional 3rd green cart will be charged an additional monthly rental rate. Previous rental rates for green carts have been omitted and will no longer show on your invoice.
