

## California Recycling Legislation: Assembly Bill (AB) 341 & Senate Bill (SB) 1383

- ▶ **AB 341 (Mandatory Commercial Recycling):** Effective July 1, 2012, this law requires businesses generating 4+ cubic yards of solid waste per week and multi-family dwellings with 5+ units to implement a recycling program for traditional recyclables.
- ▶ **SB 1383 (California's Mandatory Organics Recycling Law):** All residents, businesses and multi-family dwellings are required to divert organics from the landfill through weekly organics collection service and/or donations via food recovery programs.

## California's Current Food Donation Law

- ▶ Food generators (Tier 1 and Tier 2 businesses) must donate to food recovery organizations (such as food banks and/or food pantries) the maximum amount of edible food they would otherwise throw away.
- ▶ Food recovery organizations must track edible food donations and report to the County on an annual basis.
- ▶ The County must educate food generators and organizations, conduct routine inspections and monitor for compliance.

### Tier 1

Businesses that donate mostly fresh and shelf-stable foods. These include:

### Tier 2

Businesses that donate mostly prepared foods. These include:

## Connect with a local food recovery organization or service

Organizations accepting food donations can be found by visiting Fresno County's food recovery web page at [cleanupfresnocounty.com/food-recycling/commercial-edible-food-generators/](https://cleanupfresnocounty.com/food-recycling/commercial-edible-food-generators/). Connect with a Food Recovery Service to assist with establishing your food donation program.
