

# Republic Services Partners with Waste Not OC Coalition

Waste Not OC Coalition works with hospitals, food banks, municipalities, the food industry and the waste hauling industry to reduce hunger and food waste by giving food to local pantries serving the community. Donate excess food by calling Waste Not OC Coalition Food recovery line, 1-855-700-WNOC (9662). Recovered food is distributed to local pantries where it will feed the most vulnerable in the community.

## Benefits to Donating Perishable & Non-Perishable Food

- **Reduce costs** associated with reduced food waste (AB1826 and AB341)
- **Tax deductions** on donated food
- **Marketing your business** via cross-promotion with the Coalition

## Mandatory Recycling *Reciclaje obligatorio* AB 341

The law states:  
*La Ley Estipula:*

To conserve diminishing landfill space and natural resources, California adopted Assembly Bill 341 which sets a Statewide recycling goal of 75% and mandates recycling in the commercial sector. Effective July 1, 2012, businesses that produce at least 4 cubic yards of trash a week must participate in recycling through one of the following:

- Subscribe to a service that collects recyclables separately
- Subscribe to a service that sends materials to a mixed waste processing facility that diverts recyclables
- Self-haul your own recyclables

## Commercial Recycling Service

*For Businesses and Multi-Family units*

**800-299-4898**

As our commercial customer for trash collection, you can call for a recycling container for your business by dialing (800) 299-4898.

## Commercial ORGANICS RECYCLING Phase 2: January 1, 2017

State law (AB 1826) requires businesses and apartment complexes that generate a certain amount of organic waste to arrange for organic waste\* recycling. The following chart shows Phase 2 & 3 of the state-mandated implementation schedule.

Date	Generated Organic Waste
January 1, 2017	4 cubic yards or more of organic waste per week
January 1, 2019	4 cubic yards or more of solid waste per week

*\*Apartment complexes are not required to have a food waste diversion program.*

## What is Organic Waste?

Organic waste includes food waste, food-soiled paper, landscape and pruning waste and non-hazardous wood waste.

## What Items are Organic?

Garden Waste  
Fruits  
Vegetables  
Pastas, Grains, Rice & Beans  
Meat, Poultry, Seafood & Shellfish  
Bones & Eggs  
Bread, Cheese & Pastries

## How Can My Business Comply with the State Regulation?

- Donate surplus food to a food bank
- Recycle food scraps 9containers and services are provided by Republic Services
- Self-haul scraps to a composting facility
