

Be a Recycling Superstar!

Recycling Simplified

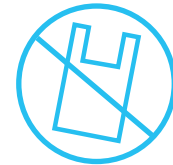

When it comes to recycling, everyone has a part to play. Let's work together!

Know what to throw.
Make sure your recycling container only contains cardboard, paper, glass and metal cans.

Empty. Clean. Dry.®
Keep recyclables free from food and liquid. A can soiled with food can contaminate a whole truck of recyclables!

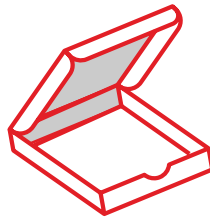

Don't bag it.
Plastic bags get tangled in the recycling machines. Make sure to keep your recyclables separate; do not mix.
