Address: 180 H Street Union City, CA 94587

Contact: Tri-CED 510-429-8030

UNION CITY MULTI-FAMILY PROPERTY RECYCLE, COMPOST & LANDFILL NEWS

Sustainable Fall Cleaning

A Bulky Item Collection may be requested by your property manager for a fee to collect unwanted items that are too large or bulky. Set aside reusable and recyclable items to ensure these are collected for reuse and recycling and not sent to the landfill. Alternatively, the property manager may request an open-top debris box for a property-organized clean-up event for the associated container collection rate.

Contact Republic Services at **510-657-3500** or visit **RepublicServicesAC.com** for more information.

Reuse is best!

Before tossing unwanted items, consider if they can be donated or sold to a local thrift store or through an online community group such as Freecycle, Nextdoor, Facebook Marketplace, or Buy Nothing group. If your item is damaged, consider if it can be repaired. The RE:Source guide has handy information on reuse, repair, recycling and safe disposal. Haven't tried using the RE:Source guide yet? Scan the QR code or visit **www.stopwaste.org**.

Holiday Collection Service Schedule

Tri-CED Community Recycling and Republic Services drivers and administrative staff will be home for the Thanksgiving holiday. Collection will be provided one day later following the holiday.

Thanksgiving Day | Thursday, November 26

No collection service. Administrative offices will be closed.

Thursday, November 26 collection service will be provided on Friday, November 27.

Friday, November 27 collection service will be provided on Saturday, November 28.

Pumpkins Are Compostable!

Don't let a moldy pumpkin scare you — it's still compostable! Remove any candles or decorations, and simply put it in your green cart. Pumpkins collected through the compost program will be transformed into compost, which can be used to nourish plants and trees.

RECYCLE

YES

All clean cardboard, paper, glass, metal & plastics marked  should be placed in the gray recycle cart or white recycle bin

NO

Plastic bags or containers labeled , hoses & wires, compostable materials, household hazardous waste, pumpkins, and holiday tree lights.

COMPOST

YES

All food scraps, food-soiled paper, BPI-certified compostable products, pumpkins, all yard trimmings and untreated wood should be placed in the green compost bin/cart.

NO

Non-compostable plastics, personal hygiene products, treated wood, recyclable materials, household hazardous waste.
