HOLIDAY TREE RECYCLING

UNION CITY RECYCLES
UnionCityRecycles.org

Did you know that your holiday tree can be turned into beneficial mulch and compost? After you've packed up the lights and ornaments adorning your holiday tree, simply place your tree curbside on your regular collection service day.

Tri-CED will collect holiday trees at no additional cost from single-family residential customers with Tri-CED compost service from December 28, 2026 through January 15, 2027.

Republic Services of Alameda County
42600 Boyce Rd, Fremont, CA 94538
510.657.3500 | RepublicServicesAC.com

Tri-CED Community Recycling
33377 Western Ave, Union City, CA 94587
510.429.8030 | Tri-CED.org

Please prepare your tree for collection by following these simple guidelines:

- Remove tree stands and all decorations.
- Put the tree at the curb next to your compost cart before 6:00 a.m. on your regular collection service day.
- Trees taller than six (6) feet must be cut in half.
- Natural trees only. Flocked and artificial trees will not be accepted.
- If you miss the Citywide holiday tree collection, it can still be turned into compost by cutting it into pieces that will fit into your green compost cart with the lid closed.

Holiday Collection Service Schedule

Tri-CED and Republic Services drivers and administrative staff will be home for the holidays on Christmas and New Year's Day.

Collection service will be provided one day later during these two holiday weeks. Friday service will be provided on Saturday.

Christmas Day – Friday, December 25
Administrative offices will be closed. No collection services.

New Year's Day – Friday, January 1
Administrative offices will be closed. No collection services.

Feed Your Green Compost Cart!

Placing all food scraps, food-soiled paper products (e.g., napkins and pizza boxes), and yard trimmings in the compost cart for weekly collection is required by California State Law SB 1383.

Composting conserves space in the landfill and reduces greenhouse gas emissions. Compost is a beneficial soil amendment that boosts plant growth. Learn more at **UnionCityRecycles.org**.
