Sustainability in Action

2026 Clayton Sustainability Award Winner

Skipolini's was awarded the 3rd Annual City of Clayton Sustainability Award on June 2nd, 2026. This community pillar restaurant was recognized for their exceptional organics diversion. Their organics carts are frequently filled with mounds of leftover pizza dough! This year, Republic Services has been working with the City of Clayton, Skipolini's and the Clayton Business & Community Association to divert their classic red and white pizza boxes at the neighboring CBCA bocce courts to the green organics bins. Great job, Skipolini's!
