

Pleasant Hill Citywide Cleanup

For the week of June 15-19, 2026

The Pleasant Hill Citywide Cleanup is scheduled for the week of June 15-19. Republic Services will pick up your extra landfill waste and green waste (i.e. branches, prunings, leaves, etc.) on the same day as your regular garbage services.

Senate Bill 1383 sets statewide methane emissions reduction targets in an effort to reduce emissions of short-lived climate pollutants. Keeping green waste out of the landfills reduces methane gas. Therefore, ***no green waste will be taken that is in a landfill waste cleanup pile. Please separate from landfill waste.*** It will be picked up by a separate truck and composted.

Consider donating items in good condition to a thrift store, or participate in the annual Citywide Garage Sale on Saturday, June 13! Visit PleasantHillGarageSale.com to post your sale or browse listings. For extra recycling, residents can schedule an on-call cleanup at no charge (limit four recycling/green waste cleanups per year).
