

Republic Services San José Summer 2026 Update

Get FREE Indoor Wet Receptacles for Your Business

SCAN HERE

The City of San José's Wet Receptacle Assistance Program ("WRAP") helps San José businesses comply with Senate Bill 1383 by providing free indoor receptacles to collect and properly sort organic waste, also known as Wet waste. Approved businesses can select up to \$500 worth of indoor sorting equipment at no cost. For more information on how to apply to WRAP while funding lasts, visit SJEnvironment.org/ReceptacleAssistance or scan above.

The Wet Receptacle Assistance Program is made possible by funding from a CalRecycle grant.
