

Sustainability in Action

Dear Louisville Resident,

Welcome to the City of Louisville Solid Waste, Composting, and Recycling Program! Republic Services is proud to partner with the City of Louisville, working towards zero waste by providing residents with trash, composting and recycling programs. The Pay-as-You-Throw service means the price you pay corresponds with the size of trash cart you choose. Please refer to your monthly water bill for charges.

Please refer to the City Map to identify your designated service day. Trash will be picked up weekly, compost and recycling will be collected every two weeks on alternating weeks. Please take the time to review the Louisville Service Calendar, and Important Service Tips listed below, to ensure a timely collection.

- Please place carts out by 7am on your service day with a lid facing toward the street/alley at least two feet apart.
- Please make sure when carts are placed at the curb/alley they are six feet away from objects such as a mailbox, electrical boxes, and parked cars.
- We encourage you to place your trash in a bag before tossing in the trash cart with the **Black Lid**.
- Do not use plastic bags for compost material, you may use compostable bags 3-gallons or less before tossing in your compost cart with the **Green Lid**.
- Do not bag your recyclables, just place them directly in the recycling cart with **Light Blue Lid**.
- Do not contaminate your carts. Please refer to <http://www.ecocycle.org/recycle-compost-reuse> for detailed information on recycling and composting guidelines.
- Please avoid placing rocks, concrete, and/or dirt in carts to avoid overweight carts.
- The Pay-As-You-Throw Service is cart content only. The lid must be fully closed on all three carts. For any excess material you need to purchase extra stickers, and /or upsize your cart.
- If you have extra trash, stickers for an additional 35-gallon bags are available to purchase for \$4.00 each. Purchase stickers at City Hall located at 749 Main St and the Recreation Center located at 900 W Via Appia.
- The program also includes additional value-added services such as:  
One fee bulk item per quarter

Annual Curbside bulk pickup event – 5 items in early fall  
Spring and Fall Leaf and Branch Curbside Clean-up Events  
Finished Compost Giveaway

- Weekly Compost or Recycling Service available for an additional fee of \$8.39 per month each upon request separately billed to residents.

Please be on the lookout for Louisville Newsletter packed with the program's full details, upcoming events and helpful tips on recycling and composting.

We value your business and look forward to serving you.

Should you have any questions or concerns, please contact us at (303) 286-5400.

Thank you for your business,  
Republic Services
