

Dear Louisville Resident,

Welcome to the City of Louisville Solid Waste & Recycle Program! Republic Services is proud to partner with the City of Louisville working toward zero waste by providing residents with a trash, recycling and compost program. The Pay-As-You-Throw service The Pay-As-You-Throw service means the price you pay corresponds with the size of trash cart you choose. Please refer to your water bill for monthly charges.

Please reference the City map to identify your designated service day. Trash will be picked up weekly, compost and recycle will be collected every two weeks on alternate weeks. Please take the time to review the Louisville Service Calendar, and Important Service Tips listed below, to ensure a timely collection.

- Please place carts out by **7 a.m.** on your scheduled service day with the lid facing toward the street/alley at least 2 feet apart.
- Please make sure when carts are placed at the curb/alley they are 6 feet away from objects such as mail boxes, electrical boxes and parked cars.
- We encourage you to place your trash in a bag before tossing in the trash cart with the **BLACK LID**.
- Do not use plastic bags for compost material, you may use compostable and/or paper yard bags before tossing in your compost cart with the **GREEN LID**.
- Do not bag your recyclables, just place them directly in the recycle cart with the **LIGHT BLUE LID**
- Do not contaminate your carts. Please refer to <http://www.ecocycle.org/recycle-compost-reuse> for detailed information on recycling & composting guidelines.
- Please avoid placing rocks, concrete and/or dirt in carts to avoid overweight carts.
- The Pay-As-You-Throw service is cart content only. The lid must be fully closed on all three carts. For any excess material you need to purchase extra stickers, and/or upsize your cart.
- If you have extra trash, stickers for additional 35-gallon bags are available for \$3.50. Purchase stickers at City Hall located at 749 Main Street and the Recreation Center located at 900 West Via Appia.

The program also includes additional value-added services such as:

- One free bulk pick-up every quarter
- Spring & Fall Leaf and Branch Clean-up events
- Annual Curbside bulk pickup event
- Finished Compost giveaway

Please be on the lookout for Louisville Newsletter packed with the program's full details, upcoming events and helpful tips on recycling & composting. We greatly value your business and look forward to serving you. Should you have any questions or concerns, please contact us at (303) 286-5400 or online at [RepublicServices.com/Louisville](http://RepublicServices.com/Louisville).

Thank you for your business,

Republic Services
