

Solano Division Recycling Guidelines

Recycling Today for a Better Tomorrow - Solano Garbage Company Philosophy

Today, more than ever, people understand the need to responsibly manage waste. For a growing percentage of the population, this means looking for more opportunities to reduce, reuse and recycle. Individuals in communities that we serve can recycle in a number of ways. In some cases, we offer recycling drop-off locations. In others, curbside home collection is available. Businesses can also find out about our available commercial recycling capabilities whether they have one location or hundreds. Call us today at (707) 437-8900.

Acceptable and Unacceptable Items for Curbside Recycling

Acceptable

Aluminum and metal cans (labels do not have to be removed)
Clean Aluminum foil and foil pie pans
Corrugated cardboard/box board (i.e. cereal, soda, beer type packaging).
