Residential Curbside Recycling and Trash Services (east of I-17)

Republic Services

Appreciates the Opportunity to Service Your Community

As an Anthem resident, you will receive residential curbside services for recycling and trash one time per week. Your scheduled service day is determined by your service area. Please see the revised area map and the 2017 Curbside Recycling and Trash Service Schedule to determine your scheduled day. Please place containers

on the street the night prior to your collection day or by 6 a.m. on your assigned collection day. For safe and efficient service, please place the containers in the street with the wheels touching the curb. The containers should not be placed on the sidewalk and you should allow 3 feet between your recycling and trash containers.

Republic Services is proud to announce that your Recycling and Trash rates will remain the same through 2018. Another change that you will notice is your billing frequency. New customers will be billed on a quarterly basis or every 3 months. Existing customer accounts that are billed semi-annual or every 6 months will be converted throughout 2017. This conversion will be determined by your current billing cycle.

Quarterly rates for once-weekly pickup of trash and recycling

▶ Total quarterly invoice = \$54.27

Additional services are still available upon request and include:

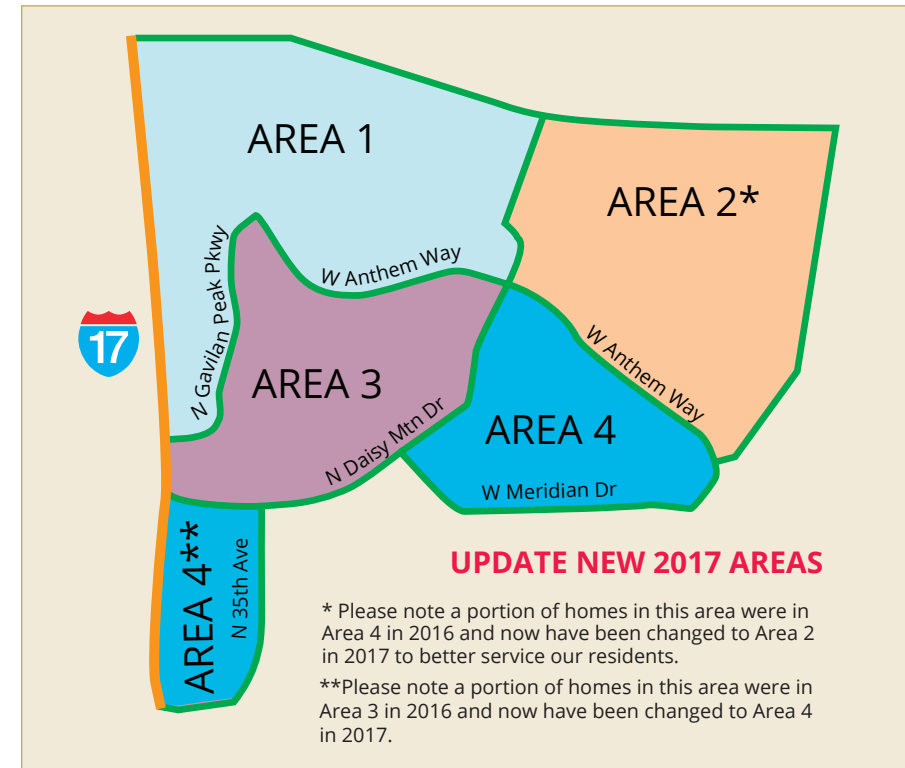

- Extra trash container = \$15.18 per quarter
- Bulk pick up that is in addition to the regular scheduled bulk service will be an additional \$125 charge that will be the responsibility of the resident. This additional pick up will be serviced on the same Friday as your scheduled bulk service. For efficiency this service must be paid and scheduled in advance.
- Additional service (unscheduled) = \$15 per (1) 95-gallon container
- Vacation hold request at no charge. Resident must be gone longer than 10 days, but not longer than 6 months. Account will receive pro-rated credit on next invoice for any service charges during vacation hold period.
- Walk Up service = \$75 per quarter (with approval)
- New account setup at no charge
- Container delivery at no charge
- Container repair or replacement at no-charge (limited to one time per year, per can)

▶ **Service fees are paid directly to Republic Services and are not part of ACC or HOA dues.** In order to receive service, new residents must set up an account by calling Republic Services at 602-237-2078 or 800-833-4316 or by visiting our website at republicservices.com.

Bulk Trash

Bulk trash is material that cannot be placed into the garbage container such as furniture, some appliances, and large amounts of vegetation.

Good to go!

- Furniture
- Some appliances (freon must be removed)
- Vegetation less than four feet in length and 12 inches in diameter. Small amounts of vegetation such as grass clippings and leaves should be bagged, tied and placed in the regular tan trash container.

No thanks!

- Household hazardous waste (paint, chemicals, oil)
 - Loose grass, leaves, weeds, twigs and hedge clippings that are not bagged or tied
 - Bricks, concrete, dirt, rocks, asphalt, roofing or similar materials
 - Construction material in excess of 25 pounds generated by a resident and longer than four feet in length; any construction materials generated by a contractor
 - Metal, rebar and fence posts
 - Tires, rims or automobile parts
 - Glass such as windows, shower doors, patio doors, mirrors, etc.
- *Glass can be accepted as long as it has taped to ensure it doesn't break. This becomes a safety concern for the Anthem community and the Republic Services employees
- Appliances containing refrigerants

Bulk trash

Must be placed at least five feet from any fixed object:

- utility pole
- cable box
- mailbox
- water meter
- parked car, etc.

Your bulk material pile

- Should not exceed 6 cubic yards (6 ft high x 6 ft wide x 4 ft deep)
- Be neatly stacked, bagged and/or tied
- Should have a tarp underneath

Recycling Container Collection Guidelines

- **Rinse** plastic containers, steel and tin cans to remove liquid and food, then dry; this will help avoid attracting flies and other pests.
- **Leave** lids on if they are made of recyclable materials.
- **Break** down or cut up large cardboard boxes before placing in container. This prevents material from wedging inside the container, restricting contents from being disposed.
- **Place** junk mail or loose papers in brown paper bags. This prevents spills.
- **Ensure** recyclables are clean and dry.
- **Please** ensure lid of container is closed before placing out for collection.
- **Ensure** that the recycling container lid opens toward the collection vehicle.
- **Deliver** large pieces of cardboard that do not fit into your recycling container to your nearest drop off recycling bin.

- **Place** your recycling container near parked cars, light poles, mailboxes or near other obstacles that could hinder collection.
- **Leave** your recycling container at the curb after 6:00 p.m. if it has been serviced.
- **Stack** items on or near containers.
- **Leave** inserts in chipboard boxes.
- **Use** your recycling container for garbage.
- **Swap** containers with your neighbor.

GOOD TO GO
