Dear Ms. Camarena:

I am pleased to approve U.S. Ecology Texas, Inc, Robstown, Texas, for continued participation in the Occupational Safety and Health Administration's (OSHA) Voluntary Protection Programs (VPP) as a Star participant.

Enclosed is a copy of the VPP On-site Evaluation Report upon which I based my decision.

VPP participants serve as models for other employers, workers, and unions by operating excellent safety and health management programs. Achieving a level of worker protection that goes beyond compliance with government regulations is commendable.

Congratulations on your dedication and the involvement of workers in the prevention of injuries and illnesses. I encourage you to share your successes with others and continually improve your safety and health efforts.

Sincerely,
