Sustainability in Action

Republic Services is a leader in environmental services. Through the acquisition of US Ecology, ACV Enviro and ECOFLO, Republic Services can now offer customers comprehensive Environmental Solutions, including hazardous waste disposal. US Ecology brings more than 70 years of experience as the leader owning and operating hazardous waste landfills.

We have secure RCRA Subtitle C landfill disposal solutions and TSCA-licensed facilities for hundreds of EPA-regulated waste streams, including: hazardous, non-hazardous, NORM/TENORM, universal, inorganic and industrial waste. We also offer waste profiling, on-site laboratory analytical services, extensive leak, groundwater and air monitoring systems, and truck and rail delivery capabilities.
