

Household Hazardous Waste

It is **ILLEGAL** to throw hazardous waste in your carts and dumpsters: Take paint, pesticides, fluorescent bulbs, motor oil & oil filters, batteries, solvents, personal care products, pharmaceuticals, e-waste, and other household chemicals **FREE OF CHARGE** to Delta Diablo, 2500 Pittsburg-Antioch Hwy, in Antioch.

You can dispose of sharps which include syringes, needles and lancets used in the medical care of people and animals in your home. Call 925.756.1990 to request a free BD™ Home Sharps Container by mail. The container holds 70-100 insulin syringes or 300 pen needles. When your container is full, simply bring it to Delta Diablo and pick up another free container.

Visit DeltaDiablo.org/household-hazardous-waste for more info, or call 925.756.1990.

No Bags Please!

Recycling and organics should be placed loose (unbagged) in their respective carts. If you need to use bags for your food scraps, only paper or BPI-certified compostable bags are allowed in the green cart. Republic Services can provide one cart exchange at no charge per year per account to help you keep your carts clean. Call Customer Service to schedule.

Senate Bill 1383: Composting is the law!

SB 1383 is a statewide effort to reduce emissions of short-lived climate pollutants by reducing organics waste disposal in landfills at least 75% by 2025. One of the provisions of the law requires auditing of residential garbage, recycling, and organics carts, so it’s important to properly sort your materials into each cart. Help your community increase diversion from landfills, lower your carbon footprint, and avoid potential fines by separating your recycling and organics into the correct carts.

Residents must:

- Subscribe and participate in your curbside organics program
- Properly sort your organics into the **GREEN** cart
- NOT put organics in your trash/landfill cart
- NOT put organics in your on-call trash/landfill or citywide cleanup; use your on-call organics cleanups

Want more information? Go to AntiochCA.gov/1074/SB-1383-Implementation for Frequently Asked Questions.

Food Scrap Recycling

How do you get your food scraps to your green cart? It’s easy. Use a food waste pail. To keep it clean, you can line it with newspaper, a paper bag, or a BPI-Certified Compostable bag (the only type of Compostable plastic we can accept).

If you don’t have a pail, contact Customer Service and request one 925.685.4711. The pail is **FREE!**

Important: Compostable plastics such as cold cups and utensils do not break down completely in our compost process. These should go in your garbage cart.

Empty. Remove any remaining food or liquid.

Clean. Wipe or lightly rinse the item.

Dry. Shake out excess moisture or air dry.

How To Reach Us

Questions and/or complaints about your service or bill can be answered by Customer Service. You can:

- Call one of our representatives at 925.685.4711
- Write us at 441 N. Buchanan Circle, Pacheco, CA 94553, Attn: Customer Service Manager; or

Service Guide

Landfill

A collection of various waste items, including a bag of Fritos, a crumpled diaper, a green trash bag, a red cup with a straw, a broken beige pot, orange plastic cutlery, a milk carton, a broken white cup, a white egg carton, and a blue glove.

Recycle

A collection of various recyclable items including a brown glass bottle, a newspaper, a glass jar, a brown paper bag, a cardboard box, a plastic bottle, a metal can, a aluminum foil pan, and a stack of papers.

Empty, Clean, and Dry

Compost

A collage of various food and garden waste items suitable for composting. The items include a bouquet of red and white flowers, a pile of green leaves, an apple core, a crumpled paper napkin with food residue, an open cardboard pizza box with leftover pizza and sauce, a chicken bone, three eggshells, a whole fish, a coffee filter containing coffee grounds, and a white plate with remnants of a meal including sauce, bread, and a corn cob.

BAGS: Compostable BPI (meets ASTM 6400 Standard); Paper Bags; No Bags

Two black plastic trash bags are shown, tied with yellow drawstrings. They are positioned side-by-side, with the bag on the left being slightly larger and more prominent than the one on the right. The bags are crinkled and appear to be full of waste.

Bulky Item Pickup

Items included:

Options for Electronics:

Oil Filters, Motor Oil, Batteries, and Compact Fluorescent Bulbs (CFL's)

- ### On-Call Recycling/Green Waste Cleanups

Extra recycling or green waste? Residents have three (3) FREE on-call recycling/green waste cleanups per year. Green waste must be in paper or compostable bags (NO plastic bags). You can also include household batteries and/or CFLs in your recycle cleanup. See above section on Batteries and CFL's for set out instructions. To schedule a cleanup, call Customer Service, 925.685.4711. For details and instructions, go to [RepublicServices.com/AntiochCA](https://www.RepublicServices.com/AntiochCA).

Recyclables should be loose (no bags).

Collection is WEEKLY. Organics should be loose (no bags) or in compostable or paper bags only. No plastic bags. No compostable plastic.
