

Antioch Weekly Organics Cart Service starts the week of July 1, 2024!

Sustainability in Action

PLEASE NOTE: Service is happening as usual on July 4th—no delays for the holiday.

REMINDER: Beginning July 1, 2024, you will receive a 7.6% rate increase to cover the costs of going to weekly collection of your green, organics carts.

Your green organics cart will be picked up every week beginning the week of July 1, 2024. Happy composting!

Reminders:

- Place carts out at the curb before 6 AM, at least 3 feet apart from other carts and vehicles.
- Acceptable materials: yard waste, food scraps & food-soiled paper (paper towels, paper plates, pizza boxes).
- Not acceptable: *Dirt, rocks, metal, treated wood, glass, plastic, hazardous waste.*
- Maximum weight limit is 150 lbs, and lids must be completely closed.
- Place material into the cart loose (no bags), or in BPI Certified Compostable bags, or paper bags. No plastic bags or other compostable plastic products allowed.

SB 1383: Composting is the law!

Visit AntiochCA.gov/pscr/environmental-resources/sb1383-implementation for more information.
