School Supply Reuse Roundup Collection

Republic Services is working to reduce the amount of reusable school items that end up in the landfill. We will be collecting **gently used school supplies** to provide back to the local community. Items must be in good condition—donate as though you were gifting to a friend.

May 12–June 5, 2026

Collection Bin Drop-Off Locations:

- **Antioch Community Center**
  4703 Lone Tree Way, Antioch, CA 94531
- Inquire at your local school for additional collection bins

Donations will go to local non-profits such as: **Stuff the Bus**, **Good Stuff**, and additional community cooperative schooling resources.
