

Sustainable Recycling and Disposal Options for Carlsbad Residents

The following free recycling and disposal programs are offered at Palomar Transfer Station and the Recycling Buyback Center.

5960 El Camino Real, Carlsbad, CA 92008 | See location information on the other side of this flyer.

Palomar Transfer Station

Monday through Sunday, 7:30 a.m. to 4 p.m.

Recycling, compost, trash, and construction and demolition material from Carlsbad are hauled to the Palomar Transfer Station for proper sorting and disposal.

Mattress recycling

- Enter through the scales and you will be directed where to go.

Carpet recycling

- Enter through the scales and you will be directed where to go.

Mulch and compost for pickup

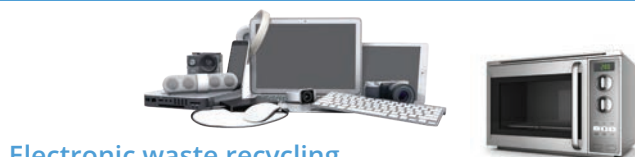

- Please bring your own container.
- No limit on amount.
- Check in at the office.*

Recycling Buyback Center

Monday through Saturday, 8 a.m. to 4 p.m.

Residents can get California Redemption Value (CRV) for bottles and cans, and recycle other materials as described below.

Electronic waste recycling

- Anything with a plug is accepted.

Battery and light bulb recycling

- Household batteries, lithium-ion batteries and light bulbs are accepted.
- Broken light bulbs are not accepted.

Cooking and motor oil recycling

- Free used oil recovery kits are available in the office.*
- Return containers.

Medical sharps recycling

- Place your sharps in a rigid container with lid such as a coffee grounds container or plastic milk jug.
- Return containers.

Proof of residency is required for all programs.

Examples include: utility bill, waste services bill, driver's license, etc.

**The Republic Services offices are located in the building past the Recycling Buyback Center. The main door to the front desk is located on the left side of the building.*
