Make Recycling and Composting Work at Your Business!

STEP 1

Set Up Service

- Subscribe to landfill, recycle, and compost collection services
- Ensure adequate bin size and pickup frequency

STEP 2

Set Up Your Space

- Place landfill, recycle, and compost bins side by side in all areas
- Display clear sorting signs and labels
- Keep areas clean

STEP 3

Train Your Team

- Educate new employees
- Provide annual reminders and monitor contamination
- Ask for free training from Republic Services or City of Fremont staff

Free Business Support Available

The City of Fremont and Republic Services offer the following support at **no cost**:

- Container signs and labels
- Staff training
- Recycling and composting posters
- Waste reduction assistance

Call **510-657-5000** to request assistance.

Employees Can Help By:

- Sorting materials correctly
- Keeping trash areas tidy
- Following signs
- Reporting issues
