

Mission

RecycleSmart provides efficient and high-quality waste prevention, reuse, recycling, composting, collection, processing, and education programs in Central Contra Costa County communities.

The RecycleSmart service area includes the communities of Danville, Lafayette, Moraga, Orinda, Walnut Creek, and some unincorporated areas of the County including Alamo, Blackhawk, and Diablo. RecycleSmart holds exclusive franchise agreements with Republic Services for collection and transfer of all three streams (organics, recycling, and landfill) from all sectors, and organics processing and landfill disposal, and with Mt. Diablo Resource Recovery (MDRR) for the processing of all recyclable materials, the Reuse Day Program and Retail Battery Collection Program Services.

Programs and Services

Single Family:

- Weekly recycling, organics (including yard trimmings, food scraps, and uncoated food-soiled paper) and landfill service
- Request a kitchen food scraps container at no additional cost
- Weekly household battery collection at the curb
