

1st Annual Crockett, Port Costa & Tormey Citywide Cleanup

October 5 – 9, 2026

How It Works

Residents may choose to set out:

- ▶ Up to fifteen (15) 35-gal. bags of all mixed trash **OR**
- ▶ Up to fifteen (15) 35-gal. bags of all yard waste on their regularly scheduled pickup day during this week.

Bags must be at the curb by 6 a.m. on the pickup day. Please do not block your carts for regular service.

All material must be bagged — any bag more than 50 lbs. will not be collected.

Any setouts that do not adhere to the guidelines will not be collected.
