

Sustainability in Action

Dear Superior Resident,

Welcome to the Town of Superior Solid Waste, Recycle and Compost program. Republic Services is proud to partner with the Town of Superior working toward zero waste by providing residents with trash, recycling, and compost program.

The Pay-As-You-Thrown service means the price you pay corresponds with the size of trash cart you choose. Please refer to your utility bill for monthly charges.

Trash and Recycling are serviced weekly and compost will be collected every other week.

Please take the time to review the Town of Superior Service Calendar, and Important Service Tips listed below, to ensure a timely collection.

- Please place carts out by 7 a.m. on your scheduled service day with the lid facing toward the street/alley at least two feet apart.
- Please make sure when carts are placed at the curb/alley they are six feet away from objects such as mailboxes, electrical boxes, and parked cars. • We encourage you to place your trash in a bag before tossing in the trash cart with the **BLACK LID**.
- Do not use plastic bags for compost material, you may use compostable and/or paper yard bags before tossing in your compost cart with the **GREEN LID**.
- Do not bag your recyclables, just place them directly in the recycle cart with the **LIGHT BLUE LID**
- Do not contaminate your carts. Please refer to <http://www.ecocycle.org/recycle-compostreuse> for detailed information on recycling & composting guidelines.
- Please avoid placing rocks, concrete and/or dirt in carts to avoid overweight carts.
- The Pay-As- You – Thrown service is cart content only. The lid must fully be closed on all three carts.
- Large Items can be scheduled and picked up for an additional fee per item.

Please be on the lookout for the Town of Superior Newsletter with the program's full details and helpful information.

We value your business and look forwards to servicing you. Should you have any questions or concerns, please contact us at 303-286-0800.

Thank you for your business,

Republic Services
