# Welcome to Republic Services®

## Proper Cart Placement

All new customers or any current residents with billing questions should call the City of Palm Bay at **321.952.3420**. For all service-related issues, please call Republic Services at **321.989.6030** or visit **RepublicServices.com/municipality/palm-bay-fl** and log in into your account.

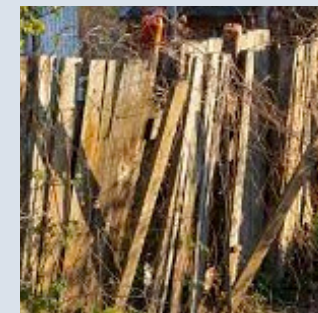

## Pressure-Treated Wood

Pressure-treated wood (CCA) is wood treated with chemicals to protect it from rotting, due to insects and microbial agents (typically includes decks, docks, fences, playgrounds, landscaping timbers, utility poles and railroad ties). **Republic Services cannot pick up pressure-treated wood with yard waste. All pressure-treated wood must go to the Brevard's Central Disposal Facility located at 2250 Adamson Road, Cocoa, FL.**

## Landscape Contractors/ Land Clearing

Land clearing debris means any waste generated by removing debris, logs, trees, brush or demolition material from any site in preparation for land improvement or construction projects. **Landscape companies and services must remove their generated debris. Republic Services is not responsible for the collection of land clearing debris.**
