RecyclePlus items we take in the office

- **Plastic film/plastic bags** – Soft, flexible polyethylene (PE) packaging free of food residue. Examples: plastic bags, dry cleaning bags, padded envelopes, produce bags. Plastic overwrap for paper towels, paper plates, napkins, etc.
- **Clear plastic #1 clamshell containers** – Cleaned and rinsed one-piece containers hinged on one side. Examples: fruit and vegetable containers, plastic egg cartons, bakery containers, take-out containers. This program does not currently accept opaque plastic containers, trays, cups, bottles and non-hinged containers.
- **Textiles** – Any type of cloth or fabric. Examples: bedding, clothing, towels, fabric and shoes. This program does not currently accept purses, pillows or cushions.
- **Compact fluorescent light bulbs** – Fluorescent bulbs that are curved or folded to fit the space of a regular household lamp. This program does not currently accept incandescent bulbs, halogens, LED bulbs or fluorescent tubes.
- **Batteries** – Examples: household batteries (A, C, D and 9-volt), single-use or rechargeable, and button batteries.
- **Styrofoam™** – We understand that most Styrofoam™ sizes will not fit in designated carts. Please bag extra materials, and place the bag outside next to carts for pickup.
