What you should know about the proposed waste contract change

-  Switching providers **would cost you more each month** (fuel surcharge of 97 cents).
-  The city would **pay an additional \$12,000** for trash pickup at municipal buildings – costs that could impact the city's budget and services.
-  **Each resident would be charged a \$50 fee** (per cart) for removal.
-  Republic Services' proposal **includes weekly recycling pickup**, instead of bi-weekly.
-  Republic Services' is **offering a discount for senior citizens**.
