WHAT CAN SOMETIMES BE RECYCLED

The materials below can be recycled, but require a little additional effort to separate the recyclable parts.

WHEN IN DOUBT, THROW IT OUT!

PIZZA BOXES

If clean, box lid can be recycled

Greasy box **cannot** be recycled. Put in trash

COFFEE CUPS

Lid can be recycled

If paper, sleeve can be recycled

Cup **cannot** be recycled

SHIPPING PACKAGING

Cardboard can be recycled

Styrofoam **cannot** be recycled. Put in trash

PLASTIC FOOD CONTAINERS

Be sure your recyclables are empty, clean and dry before you put them in the blue container

Empty.

Clean.

Dry.

HOW RECYCLING WORKS

1. Put recyclables in container
2. Take recyclables to the curb
3. Truck picks up the recyclables
4. Recyclables are delivered to our facility
5. Recyclables are sorted at our facility
6. Recyclables are compacted into bales
7. Bales are purchased by manufacturers to be made into new items

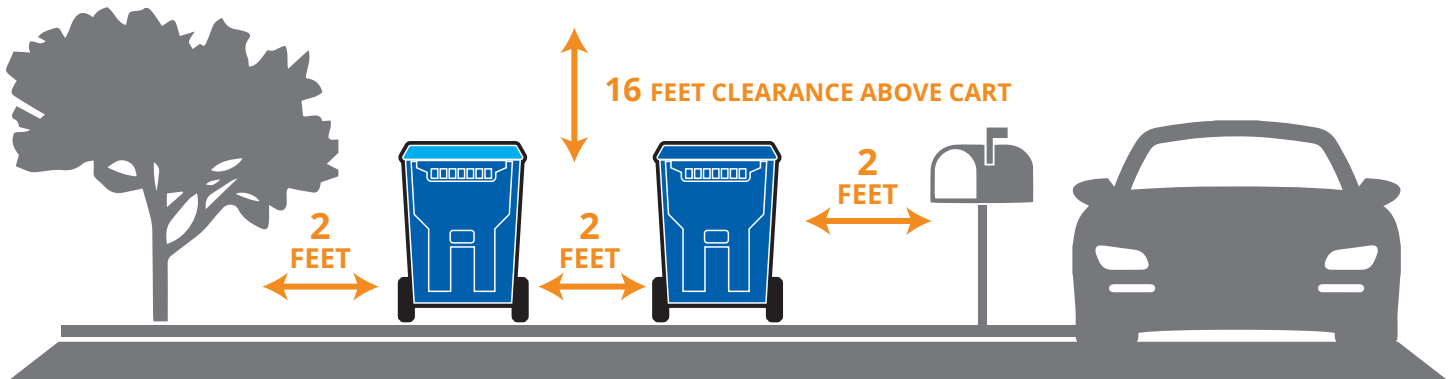

HOW TO PREPARE YOUR RECYCLABLES

Residential Recycling Container Guidelines

Please follow these guidelines when taking your recyclables to the curb.

- On your scheduled service day, place your container at the curb no later than 7:00 a.m.
- Position your container no further than 2 feet away from the road, with handle facing toward your home
- Position your container away from any obstacles such as a mailbox, tree or light pole
- Do not park your car in front of the container
- Please remove containers from the curb within 24 hours of collection
- Recycling service takes place every week on the same day as your waste service

Your recycling container should look like one of these containers (see photos to the left).

If you have any questions about which container is for your recyclables and which is for your trash, please contact us and we can assist you.
