Solid Waste Holiday Service Schedule 2026

Recycling and solid waste collection will not occur on Thanksgiving, Christmas and New Year's holidays. If your collection day falls on one of the three specified holidays, you will receive service the following day. All other holidays will maintain the regular collection schedule.

Holiday	Date	Schedule
Good Friday	Friday, April 3	Regular collection
Memorial Day	Monday, May 25	Regular collection
Independence Day	Saturday, July 4	Regular collection
Labor Day	Monday, September 7	Regular collection
Thanksgiving Day	Thursday, November 26	Thursday's residential collection will occur on Friday. Friday's residential collection will occur on Saturday. Commercial and industrial services will be on a one-day delay through Saturday.
Christmas Day	Friday, December 25	Friday's residential collection will occur on Saturday. Commercial and industrial services will be on a one-day delay through Saturday.
New Year's Day	Friday, January 1, 2027	Friday's residential collection will occur on Saturday. Commercial and industrial services will be on a one-day delay through Saturday.

Bulk Cardboard Recycling

Republic Services provides bulk cardboard recycling on an on-call basis. This service is only for quantities of cardboard that are too large to fit in the recycling cart. Boxes should be flattened, and all Styrofoam™ and packing materials must be removed. To schedule a pickup, contact Republic Services at SugarLand@RepublicServices.com or **713.726.7307**.

Electronics Recycling

Residents can utilize the Fort Bend County Recycling Center to dispose of electronics and other household hazardous waste. For more information, please visit Sugarlandtx.gov/420/Household-Hazardous-Waste.

Christmas Trees

Residents can place live Christmas trees out for collection on regular weekly green waste collection days. Ornaments, tinsel and lights must be removed for collection. Christmas trees should not be disposed of in City parks.

Artificial Christmas trees can be disposed of on a bulk waste collection day. Please ensure that trees are disassembled before placing them at the curb for collection.

Textile Recycling

Textile recycling is available on an on-call basis. This program targets textiles going into landfills, not items being donated to charities, churches, nonprofits and other organizations. The City encourages residents to donate lightly used items to charitable organizations. For a full list of acceptable items, please visit [Sugarlandtx.gov/1407/Textile-Recycling](https://sugarlandtx.gov/1407/Textile-Recycling).

Cooking Oil and Grease

Used cooking oil and cooking grease can be disposed of at the Public Works Service Center located at 101A Gillingham Lane. Residents can dispose of up to 10 gallons of liquid cooking oil per day at no charge. The facility is open Monday - Friday, 8 a.m. - 5 p.m., with the exception of holidays. Please be sure to check in at the front office.

Bulk Waste

The City provides an additional bulk waste collection following Thanksgiving, Christmas and New Year's Day.
