REQUEST FOR NON-RESIDENTIAL ALTERNATE BILLING

Dear Customer,

Republic Services will bill your commercial property manager or commercial tenant with the submission of this Alternate Billing Form. Please complete the form and read the terms of the agreement that must be met in order to keep the alternate billing in effect.

The legal owner of the property must fill out the alternate billing form and state the name and billing information of the party to be the recipient of the billing statement. A property manager may fill out the form on the property owner's behalf if they are in possession of and can provide a copy of a management contract and a limited or special power of attorney pertaining to the property in question. Without both of these documents the legal property owner will be responsible for completing the alternate billing form.
